LITTER BIN

# elipsa™ LITTER BIN

**Elipsa is a contemporary-styled litter bin with a narrow footprint to suit all busy environments.**

The Elipsa Litter Bin features a lift off body and base plinth with a keyed locking system, there is minimal lifting required to reduce manual handling. The double sided bin ensures that it is easy to access and the curved hood provides cover from the elements while also preventing litter from being placed and left on top of the bin.

Manufactured from Durapol® material, the Elipsa is weather resistant and requires minimal maintenance. The anti-flyposting recess and textured finish is designed to reduce the likelihood of posters being adhered to the bin and prevent vandalism.
