

# Equipment Housings

## Defender™ Housings

A high quality, cost-effective, pre-assembled housing for all applications, that requires minimal maintenance due to corrosion-resistant plastic coated steel walls, aluminium fascia panels and stainless steel base chassis.

# Defender™ Housings

Typical applications include:

- Switch Gears and Valve Housings
- Monitoring Equipment Housings
- Wind Farm Power Inverter Housings
- Battery Charger Housings

## Fortress™ Industrial & Environmental Housings

Fortress is the superior solution for insulated instrumentation applications.

# Fortress™ Industrial & Environmental Housings

Typical applications include:

- Transformer & Generator Enclosures
- Mobile & Broadband Network Cabins
- Vehicle Battery Charger Housings
- Rail Power Supply Rooms
- Water Analyser Stations
- Electricity Supply Substations
- Fire Sprinkler Control Rooms

## Garrison™ GRP Modular Housings

Garrison has been protecting sensitive equipment in hostile environments world-wide for more than 30 years.

## Garrison™ GRP Modular Housings

Typical applications include:

- Electrical & Switchgear Enclosures
- Communications Network Housings
- Valve & Transformer Housings
- Chlorination Plant Housings
- Monitoring & Control Rooms
- Generator & Compressor Housings
- Power Supply Rooms

## Trooper™ Equipment Housings

Designed to satisfy the demand for high-quality yet economical small housings, Trooper is regularly selected to accommodate a wide variety of equipment and instrumentation.

# Trooper™ Equipment Housings

Typical applications include:

- Wind Farm Power Inverter Housings
- Contractor's Site Tool Housings
- Switch Gear & Valve Housings
- Monitoring Equipment Housings
- Battery Charger Housings
- Landfill Gas Control Housings
- Vehicle Wash Plant Equipment Housings

## Cadet™ Instrument & Equipment Cabinets

Double-skinned Cadet Cabinets offer the very best value for the most demanding of small equipment and instrumentation applications.

## Cadet™ Instrument & Equipment Cabinets

Typical applications include:

- Metering Cabinets
- Electrical Panel Enclosures
- Valve & Compressor Cabinets
- CCTV & PA System Enclosures
- Roadside Monitoring Cabinets
- Distribution Board Housings
- Emergency Equipment Cabinets

## Cadet™ Economy Range Instrument & Equipment Cabinets

Cost-effective and reliable, the single-skinned Cadet Cabinet offers a long term solution for housing equipment where temperature variation is unimportant.

## Hermit™ Superior Steel Shelters

With emphasis on design, construction material standards, economy and long service life, Hermit provides utility accommodation for a wide variety of requirements.

# Hermit™ Superior Steel Shelters

Typical applications include:

- Workshops
- School Sports Equipment Stores
- Road Interchange Signage Stores
- Garages & Forklift Truck Housings
- Rail Trackside Tool Stores
- Hazardous Materials Stores
- Park Keepers' Sheds
- Builders' Yard Stores
