ORION™ STORAGE UNITS

A robust, low maintenance unit designed to help increase retail sales and profit.

The large display area allows easy access to goods and encourages customers to buy. Commonly displayed products like screen wash and rock salt can be extremely damaging to metal display units - Orion is impervious, and can be easily wiped clean. Available with a choice of three cover options: without cover, for 24-hour sites; a corrosion-free Rollatec™ material cover that provides weather protection and hides contents from view; or an aluminium shutter with Vandalex® coating that provides extra security in areas where there is a high risk of vandalism.

AUTO-MATE™ PETROL FORECOURT BIN

A litter bin, towel dispenser and glove dispenser in one space-saving unit. It is the preferred choice of many national chains and can be supplied in custom colours for contract customers. An optional addition of the Screen Clean Station™ forecourt bin attachment, complete with squeegee and 8 litre water reservoir, is also available.
