

## WINTER SAFETY EQUIPMENT

## TOWABLE GRITTERS

Gritting your site is essential for staying safe during the winter months. Glasdon towable gritters cover large areas with ease and are simple to use with a car, truck or even quad bike. The towable gritters can be used for broadcast or drop spreading wet or dry grit/salt and are great for covering car parks, pedestrianised areas, small roads or industrial sites.

1. Turbocast 1000™ Towable Dual Action Grit/Salt Spreader (not suitable for use on Public Highways)
2. Turbocast 800™ Towable Dual Action Grit/Salt Spreader

# MANUAL GRIT/SALT SPREADERS

Glasdon supply a range of manual grit spreaders which are ideal for gritting entrance areas, pavements and footpaths. Like our towable gritters, we have options for both broadcast and drop spreading.

1. Turbocast 300™ Grit/Salt Broadcast Spreader
2. Cruiser™ 50 Manual Grit/Salt Drop Spreader
3. Icemaster 50™ Grit/Salt Broadcast Spreader
4. Icemelt™ Compound

# GRIT BINS

Our heavy duty, durable plastic grit bins have been designed and tested to withstand adverse weather conditions and are also vandal resistant.

Glasdon grit bins come in a variety of styles and sizes to suit all requirements. Ideal for locating at entrance areas, public footpaths and car parks to store grit/salt for ease of access and spreading.

1. Slimline™ Grit Bin
2. Nestor™ 400 Grit Bin
3. Orbistor™ Grit Bin
4. Rollastor™ Portable Grit Bin
5. Nestor™ 90 Grit Bin

# ARE YOU AWARE WE CAN PERSONALISE YOUR GRIT BINS?

Surrey County Council looked to Glasdon when they decided it was time to get prepared for the winter ahead. They chose the Nestor™ 400 Grit Bin as the perfect winter safety product for the streets of Surrey.

Glasdon offer a full personalisation service for any of our grit bins. Personalisation can be anything from your existing logo to having a message designed by our in house graphics team.

# MULTI-PURPOSE STORAGE CONTAINERS

All Glasdon grit/salt containers can also be used for general-purpose storage, giving them all-year round versatility. Ideal for sand, tools, fertiliser, spill kits and other site equipment in addition to grit/salt storage.

# SNOW REMOVAL EQUIPMENT

Clearing snow in winter should be easy and efficient that's why it is ideal to have specialised tools to carry out the job. Our purpose built snow shovels are strong and sturdy as they are made out of our corrosion resistant Durapol™ material, this also gives them a fantastic life span.

2. Snowscoop™ Shovel
3. Digga™ Shovel
4. Glasdon Snospade™ Shovel
5. Dispensa™ Spreader

# SNOW & ICE ACCESSORIES

Icemelt is ideal for treating icy steps, sloping paths and uneven surfaces.

The unique ice-penetrating formula works faster, spreads further and is more effective than conventional rock salt. A little goes a long way!

## SPECIAL OFFER 3 FREE PAIRS OF ICE GRIPS

When you buy a Manual Grit Spreader

Glasdon Ice Grips™ Shoe Spikes are dual traction (with toughened steel spikes and carbide steel spiral wire) so they can be used on snow and ice. They provide extra grip and confidence when walking on frozen pavements.

# The Winter Safety Store

Be prepared with essential equipment and accessories by Glasdon
