

# NEXUS<sup>®</sup> CITY 240 & NEXUS<sup>®</sup> CITY 140

## RECYCLING UNITS

**Nexus City 240 and Nexus City 140 Recycling Units** can help reduce the amount of waste being sent to landfill. The units are robust, attractive and feature a brightly coloured hood, dedicated waste stream apertures and graphics that make them instantly identifiable and encourage recycling.

Manufactured from tough Durapol® material the units are vandal and weather resistant offering minimal maintenance and will withstand heavy use.

Nexus City 240 is ideal for use where large volumes of waste are generated. Nexus City 140 offers all the great features of the Nexus City 240 in a smaller footprint. The 140-litre unit is designed to suit areas restricted by space and offers a solution to those concerned with manual handling issues.

## Design Features

- Houses a 240 or 140 litre wheeled container.
- Extremely strong construction offers long life.
- Brightly coloured hood and dedicated waste stream apertures help to improve recycling rates.
- Clear graphics reduce the risk of cross contamination.
- Quick and easy to use slam to lock door.
- Curved sloping hood prevents waste being left on top of the bin.

## Optional Extras

- Interchangeable A3 poster frame kit.
- Choice of ground fixings.
- Internal ballast.
- Glasdon FireSafe™ Automatic Suppression Device (Nexus City 240 only).
