Froggo™ Litter Bin

OUTDOOR RECYCLING BINS

We produce an extensive range of outdoor recycling bins of the highest quality in both traditional and contemporary designs. All of our recycling containers are designed to be hard-wearing and long-lasting and feature easily identifiable graphics to make recycling easy.

Nexus® Evolution City Duo Recycling Bin

Nexus® Evolution City Recycling Bins

Nexus Evolution City is a versatile solution for outdoor recycling in public environments.

Entirely customisable from aperture colour to waste stream, graphics are easily applied onto either of the large sides for added personalisation. A narrow footprint ensures minimal floor space is required, whilst the symmetrical design allows the product to be approached from all sides in open spaces.

Check out our website for more fab examples of personalisation.

ANNIVERSARY 1959-2024 **65** YEARS

Glasdon Pledge to Reach

Net Zero

By 2035

Find out more...

As a Company with a commitment to continuously improving our environmental performance, we are pleased to announce that in 2021 we pledged to reach Net Zero by 2035 (with Scope 1 and 2* to be achieved by 2025).

*The Green House Gas Protocol Corporate Standard classifies a company's GHG emissions into three 'scopes'. Scope 1 emissions are direct emissions from owned or controlled sources. Scope 2 emissions are indirect emissions from the generation of purchased energy.
