

# TidyBear™ Novelty Bin

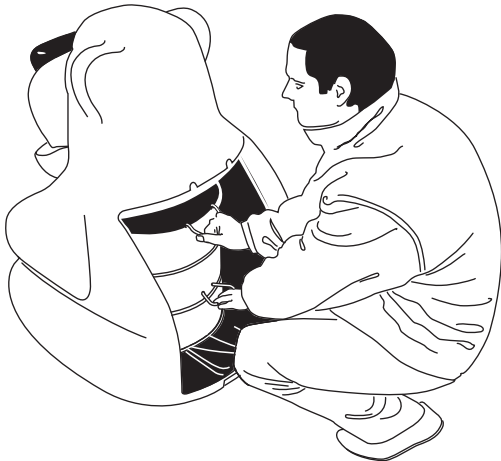

## Operating Instructions

- 1** Using the key provided, turning anti-clockwise, unlock and pull the door away from the main body. The door can then be lifted off and placed to rest.

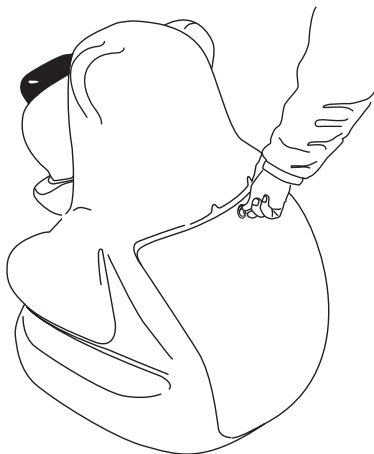

- 2** Lift and slide out the galvanized steel liner using the two drop handles provided.

- 3** After emptying, simply slide the liner back into position.

- 4** Locate bottom of door panel into base of main body.

- 5** Simply push door panel back into its original position and lock turning clockwise with special key provided.

- A planned maintenance schedule of regular inspection is recommended, replacing components as necessary.
- Replacement components are available direct from GLASDON.
- GLASDON cannot be held responsible for claims arising from incorrect installation, unauthorised modifications or misuse of the product.
