Nexus® 50 Recycling Bin

Nexus® 50 Recycling Bin

Product Description

- Nexus 50 offers a contemporary design and is ideal for any indoor location. Its wide range of available apertures and colours allow you to tailor the unit to your specific recycling needs.

- Its slim profile allows for unobtrusive placement at the end of desks or in tight spaces. Units can also be sited side-by-side to form an efficient and attractive multi-stream recycling hub.

- Nexus 50 offers effortless emptying and cleaning. Its front-opening door allows you to easily slide out a full sack without lifting, while its smooth surfaces ensure a quick wipe-clean finish.
